

RESUME

SANJEEV KUMAR SINGH

Professional summary

I am a highly motivated and detail-oriented Pharmacist with over 2 years of experience in the healthcare industry. I have extensive knowledge of medications, treatments and medical equipment. My greatest strength is my ability to effectively communicate with both customers and colleagues, as well as my expertise in managing time-sensitive tasks. In addition, I take pride in providing excellent customer service and ensuring that all orders are accurate and up to date. Throughout my career, I have achieved multiple awards for my customer service excellence. Furthermore, I am skilled in the development of training programs for new staff and the implementation of new processes within the pharmacy. I am committed to continue to grow professionally and expand my knowledge base.

Experience

Pharmacist

December 2021 - June 2023

Apollo pharmacy / India, Panchkula

During my time as a Pharmacist at Apollo pharmacy in India from 2021-12 to 2023-06, I gained valuable experience in the pharmaceutical industry and honed my skills in dispensing medication and providing patient counseling. As a dedicated member of the team, I was responsible for accurately filling prescriptions, managing inventory, and ensuring compliance with regulatory guidelines.

- Dispensed medications
- Managed inventory
- Provided patient counseling
- Ensured compliance with regulations

Hospital Pharmacist

February 2019 - March 2021

Aarogyam medical college and hospital / India, Roorkee

As a Hospital Pharmacist at Aarogyam medical college and hospital in India from 2019-02 to 2021-03, I had the opportunity to utilize my knowledge and skills to provide quality pharmaceutical care to patients. In this role, I worked closely with healthcare professionals and patients to ensure safe and effective medication use.

- Dispensed medication accurately and efficiently
- Monitored drug therapy for potential interactions or contraindications
- Educated patients on proper medication use and potential side effects
- Collaborated with physicians and nurses to develop treatment plans
